Memo

The Dy Comr of Mysore proposed to raise the salary of the Distrect Fund Clerk at Mysore from Rs 20 to 25 per mensem and to employ permanently the Dy Clerk on Rs 15 sanctioned temporarily for one year ending 14/2/97, on the ground that the work in the Distrect is not less heavy than in Bangalore, for which 2 clerks on 25 & 20 have been allowed on the recommendation of the Dy Comr.

(2) Thereupon the Dy Comrs of both the Distrects, Bangl were requested to submit statements shewing the quantity

of work done in the L. I. Branch of the respective Districts.

(3) The statements accordingly submitted by the Dy Com are herewith submitted for orders.

Put / The statement submitted by the Dy Comr of Bangalore merely enumerates the various kinds of work devolving upon the L—I—Officer. It affords no data for comparison - calls for a statement from the forms adopted by the Dy Comr of Mysore —

In accordance with the above orders, information received from Bangalore DC has been embodied in the statement herewith submitted.

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

There having been only one Clerk for this office on 20 ~~Rs~~ per mn ^t and the work being heavy - viz the preparation of estimates, the checking of the measurement bills, the preparation of the various monthly and annual returns, the general correspondence connected therewith ve, the District Fund Board, at the meeting held on the 8th march 1895, resolved to have two hands, one on rupees 25 and another on rupees 15 per month. Thereon my prede-cessor pressed the matter for favor-

-able

favorable consideration. But the Government remarked, in their order No: 17466 / L.F.386-92 of the 17th April 1895, that, pending the revision of establishments, no addition to the existing scale could be sanctioned. The matter was dropped there for the time, but the heaviness of the work compelled me to urge the matter again in my letter No: 822 of the 2nd January 1896. The Government were only pleased to partially comply with the request by sanctioning the employment of an additional hand on ——— rupees 15 a month temporarily for one year (vide order No: 9390-1 / L.F.386-92 of the 13th February 1896). But no orders were passed about raising

GOVERNMENT OF MYSORE

raising the pay of the head Clerk from 20 to 25 rupees. The additional hand was entertained on the 14th February 1896 and so the period of one year for which it has been sanctioned, expires on the 14th February 1897. The entertainment of the 2nd Clerk has no doubt given some relief to the head clerk. But the pay of that office viz rupees 20 a month is not sufficiently attractive, considering the qualifications it requires and the responsibility that is attached to it. The Government on a recommendation from the President of the District Fund board of Bangalore, has been pleased to sanction an increase of rupees 5 a month to each of the Clerks of this office vide order No:

No: 11544-8 / LF-88-95 of the 13th April 1896.

In this District the work in the local fund department is not less heavy. Therefore the head clerk's pay should, I think, be at least 25 Rs a month as recommended by the Board. He has not only to attend to the work of the Mysore (÷) circle but has also to scrutinize the accounts and carry on the correspondence relating to the French Rocks circle. The difficulty of securing a qualified hand for this post is great, owing to the smallness of the pay attached to it. Under these circumstances, I request you to be so good as to obtain the

orders

orders of Government to raise the head clerks' pay to 25 rupees with effect from the 1st July 1896, and to retain the Deputy Clerk permanently.—

I have the honor to be
Sir,
Your most obedient Servant
